Volleyball

vol•ley•ball a game for two teams in which the object is to keep a large ball in motion, from side to side over a high net, by striking it with the hands before it touches the ground.

Led by captains Kristen Smiley and Diane Heath, the 1983 Volleyball Team had the best season in River history. After losing to Fairview for the SWC title, the following week the girls came back to beat the Warriors 15-1, 15-9 for the District crown. The next weekend the spikers won the Regional title by defeating two previously once-beaten teams. At the State Tournament, the girls reached the finals by beating Circleville, only to lose a tough three-game match to Springfield Northwestern. Thus, the team finished its season by being the Class AA State Runner-Up with a final record of 25-5.

Senior Kristen Smiley and junior Darcy Orin were named to the SWC First Team, the All-Sun West First Team, and were the team's co-MVP's. Kristen also played on the North team in the Class AA State All-Star game. Spirit Week

The fifth annual Spirit Week was a huge success from Hat and Shades Day on Monday thru the Homecoming game on Saturday. Other activities included during the week were the Indentured Servant Auction and Outrageous Clothes Day on Tuesday, Indentured Servant Day and Celebrity Look-Alike on Wednesday, Thursday was the Baby in Pajamas Day, and Friday's activities were the Homecoming Parade and Bonfire. Although the Pirates didn't win the game Saturday, it didn't damper the spirit for the dance.

Arsenic and Old Lace

This year's fall play, "Arsenic and Old Lace" by Joseph Kesselring, is a hilarious comedy about two elderly women, Abby Brewster, played by Katie Rahman, and Martha Brewster, played by Sarah Kilbane, who poison their male guests with arsenic laced elderberry wine. Teddy Brewster, played by John Yarcusko, is going crazy by pretending to be Teddy Roosevelt. Dave Reusser and Laura Hruska did a fantastic job portraying Mortimer, a young playwrite in love with Elaine. In other outstanding performances were Marc Sanchez, Joe Simpson, Sid Maurer and John Maimone. In a very difficult and demanding play, our cast and stage crew under the guidance of G. Robert Santo, more than met the challenge.

The 1983-84 Student Council would like to thank the entire school community for a highly favorable and mildly Revolutionary year. Without all your help, we would never have gotten away with what we did.

As promised, this year was a menagerie of new ideas coupled with long standing traditions which foster a new feeling of school unity. Standards such as Homecoming, Bloodmobiles, Assemblies and activities were given a new dimension of attractiveness. At our First Annual Homecoming Parade, we "Burned Down the House" with the assistance of the whole community, and the next evening the student body danced to the sound of "Face Dance." Informal dances included the well attended Beach Blast, the Romantic St. Valentines Dance. New traditions that were started include the 4077th Mash Bash, the Fabulous Halloween Dance and the new and improved Don Ho Luau. The Council, the officers and all involved relay their utmost thanks and appreciation for all your efforts, and we leave you with this thought...

just remember people, that no matter who you are and what you do, there are some things that make us all the same. You, Me, Them...

To give primacy to the human and spiritual, rather than to the material values of life.
To encourage the daily living of the golden rule in all human relationships.
To promote the adoption and the application of higher social, business, and professional standards.
To develop, by precept, and example, a more intelligent, aggressive, and serviceable citizenship.
To provide, through Kiwanis Clubs, a practical means to form enduring friendships.
To render altruistic service, and to build better communities.
To cooperate in creating and maintaining that sound public opinion and high idealism which make possible the increase of righteousness, justice, patriotism, and good will.
